

SIGN THE CARD

Dear Friend,

When life is this busy, **taking precious time to volunteer is something really special.**

Every month, 2 million Feeding America network volunteers help package and sort food, fill backpacks, or serve meals – simply out of the goodness

of their hearts.

More than half of all community food programs rely *entirely* on volunteers.

And January is when we get the most pledges to become a new volunteer. Let's show them how much we appreciate their hard work by celebrating these amazing volunteers!

Join us in saying thanks to everyone who donates their time.

SIGN THE CARD

Volunteers don't expect anything back for all the hours and energy they put into their work. That's part of what makes them so amazing!

Feeding America network volunteers are grandparents, teachers, police officers...and just regular folks in your community who find a little time in their days to give back.

Let's do something really special for them, during this time when so many are starting or reaffirming a commitment to volunteer. Let's make sure they know how much we appreciate them!

[Join me in signing our thank you card for all the incredible volunteers](#)

out there. I know you'll make their day!

Sincerely,

A handwritten signature in black ink that reads "Elizabeth Nielsen". The signature is fluid and cursive, with a long horizontal flourish at the end.

Elizabeth Nielsen

Senior Vice President

Feeding America

P.S. Are you a volunteer yourself – or do you want to step up and become one this year? **[Take the pledge to volunteer at your local food bank or pantry >>](#)**
